

February Newsletter

Pre-School Room

In the Pre School Room this month the children have been focusing on fine motor skills. The children have been exploring the scissors, cutting out different shapes and sizes. This challenge has enabled the children to learn about safely using equipment and learn to risk assess independently. The small dinosaurs and teddies have been extremely popular. The children have been transporting them to the correct coloured bowls using the tweezers. This enables the children to sort through shape, size and color.

The children have been developing their mathematical skills through number songs using simple addition and subtraction!

Baby Room

The Rabbits have been exploring different modes of transport, building their own train tracks, building ramps for the cars to go down and racing the bikes.

The Rabbits have loved exploring different textures, they have been making tyre marks in paint, pushing trans through different foods and exploring them with their feet.

The Rabbits have been dancing and moving their bodies to different types of music, using the instruments to make their own!

- Molly E 14th
- Darshan 20th
- Alba 23rd
- Claire 23rd
- Stanley 27th

Book & Rhyme of the month

Preschool: Goldilocks & the Three Bears
Song: When Goldilocks went to the house of the bears.

Stay & Play Tuesday 11th February

We would like to invite parents and carers to join us for our learning morning around the topic of Goldilocks & the Three Bears. It will be held at 9am til 11. We will be exploring a range of activities and would love for you join us. Please let Claire know if you will be coming.

Calling all parents!

The Preschool room have been learning about different occupations and ways of life, we would be very grateful if any parents would come in and talk to the children about their occupations! Please arrange with Claire & Beth
